Research interests Your favorite topic, another topic, another topic, another topic, another topic

Education

Beijing University of Posts and Telecommunications   Beijing, China
PhD in Information and Communication Engineering
September 2020 – Present

Beijing University of Posts and Telecommunications   Beijing, China
MA in Information and Communication Engineering
September 2018 – August 2020

Beijing Information Science and Technology University   Beijing, China
BA in Communication Engineering
October 2014 – June 2018

Publications

Tensor-Based Light Field Compressed Sensing and Epipolar Plane Images Reconstruction via Deep Learning
Linhui Wei, Yumei Wang and Yu Liu
IEEE Access,2020

Light Field Reconstruction Based on Compressed Sensing via Deep Learning
Linhui Wei, Yu Liu and Yumei Wang
IEEE VCIP, 2019.

Research experience

Advanced Network Technology Laboratory
Mentors: Yu Liu (BUPT)   September 2018 – Present
Multimedia Technology, Signal Processing
